Subcontractor Services and Products

Your Home Care Package offers more than just basic care. As you age, you might need different kinds of help, and your package can support these needs. This could include services like:

- Physiotherapy to help you move better,
- Occupational therapy to make daily tasks easier,
- Home maintenance to keep your house safe, or special equipment to help you be more independent.

Different providers charge different prices for these services. At Aged Care Ambassadors, we're here to help you understand the costs based on your package. We'll arrange these services for you and make sure you always have a choice in your care. Our goal is to help you get the most from your Home Care Package, so don't hesitate to ask us, should you have any questions about what services you can access.
